

Åndens gaver

I Skriften leser vi om en rekke velsignelser Gud gir oss når vi fødes på ny. Noen av disse er Åndens gaver. På neste side kan du evaluere deg selv og din utrustning. Her kan du bedømme om du har gaven og merke av for styrken på gaven, altså hvor fremtredende den er i ditt liv. Du kan lese mer om disse Åndens gaver i Skriften. Dess bedre en kjenner disse i sitt eget liv, dess mer kan disse gavene forvaltes til velsignelse for mange.
